Midwest Technology Leaders 2011: survival of the fittest
Seventh Annual Executive Symposium for Midwest IT Executives

Troy, Michigan... The economy is stabilizing and the dust has begun to settle... how did your IT department fair? The seventh annual [Midwest Technology Leaders Symposium](#) will be analyzing and comparing the executives and businesses that have survived and thrived these past three years – how they did it, what keeps them going and their go-forward plans. Strategy, intelligence trends, calculated risks, pure luck...

EVENT HIGHLIGHTS INCLUDE:

- Insight into the most important IT topics
- Inspiring keynote presentations from industry experts
- Engaging breakout sessions
- 25+ exhibitors from leading IT companies
- Peer-to-peer idea sharing & networking opportunities

Early bird registration is now open for the Midwest Technology Leaders Symposium (MTL) for executives and leaders in the Information Technology field. The seventh annual MTL Symposium will be held on **Thursday, May 5, 2011** at the [Royal Park Hotel](#) in Rochester, Michigan from 7:30 AM – 7:00 PM. **Early bird registration is \$150.00 thru March 15, 2011.**

Midwest Technology Leaders is comprised exclusively of the information leaders driving Midwest economies. It is a nonpolitical, cross-industry, annual event, providing a platform to celebrate the achievements of this strong technology community. Together, this group of thought leaders are finding innovative approaches for IT and business challenges.

For more information about the Midwest Technology Leaders 2011 Symposium and to register to attend, visit www.midwesttechnologyleaders.com to download an application.

For information regarding registration, email registration@midwesttechnologyleaders.com or call (248) 275-1337.

The Midwest Technology Leaders 2011 Symposium is produced by [ARZIKA LLC](#), located in Troy, Michigan.
